Numerical Index of CAP Regulations, Manuals, Pamphlets, and Visual Aids

1. This is an index of regulations, manuals, pamphlets, and visual aids currently in effect by classification, date, title, and office of primary responsibility (OPR) at National Headquarters Civil Air Patrol. Shaded areas identify new or revised material. Copies of publications can be found at: <http://www.caphq.gov/docs/webregulations/pubsweb.htm>
2. It is CAP's intention that all publications be written utilizing the concepts of gender neutrality. Therefore, except as required due to gender differences (such as in descriptions of CAP uniforms), all references to one gender should be interpreted to apply equally to both genders.

4. How to Post Changes to CAP Indexes:
 - a. Conduct an inventory of publications on hand using the index as a guide.
 - b. Beside each required publication place a plus sign (+) to show it is on hand, or a minus sign to show it is required and not on file.
 - c. Requisition all publications with the minus sign.
 - d. Upon receipt of publications, add a vertical stroke to the appropriate minus sign (-) to make a plus sign (+) showing the publication is now in the files.
 - e. Upon receipt of a revised publication, annotate the date of that publication in the index.
 - f. Upon receipt of a change, add the change and date immediately below the basic publication.
 - g. Upon receipt of a new publication, insert the number, date, title of that publication in numerical order and line out publications declared obsolete.
 - h. Converted Publications. Upon receipt of this index, change publication number (and references) to the converted number, i.e., change CAPM 50-18 to read "CAPR 52-18".
5. Saleable Items. All publications listed in this index are saleable items, unless special distribution is shown for personal use. In addition, publications (including pamphlets) listed as "Purchase Item Only" cannot be distributed free of charge even for official use. Order these publications from the Bookstore, NHQ CAP, 105 S. Hansell St Bldg 714, Maxwell AFB AL 36112-6332. (See "Catalog of Aerospace Education and Training Materials" for prices and order form.)
